ITALIAN FUSION

## We introduce you at Itameshi

*Itameshi in Japanese, translates “Italian food”; a cheerful devotion to the subtleties of the Japanese and Italian culinary traditions. It is the happy union of Italian and Japanese cuisines, cultures, mindsets, and passion that creates that perfect fusion. Our philosophy and goal is to unite these two words to bring forward their essence and offer you a unique experience, notably sharing a strong emphasis on seasonality and simplicity.*

*We combine different ingredients and techniques to create a new cuisine with unique elements for our new restaurant.*
